Subject: COMMENCEMENT OF LECTURES FOR ALL REGULAR STUDENTS

My attention has been drawn to the fact that on the University's academic Calendar it is stated that lectures for regular students start from 17th September, 2018. This information is in error.

All continuing regular students are expected to return to campus on 10th September, 2018 as specified on the same Calendar and Lectures commence on the following day for all students (including freshers), and that is **Tuesday, 11th September, 2018.**

Any inconvenience caused is deeply regretted.

Kindly be guided accordingly.
