Date: 16th March, 2020
Subject: **RE: CLOSURE OF THE UNIVERSITY**

In furtherance of the directive of the President for all Universities to be closed until further notice, the Executive Committee of the University at its meeting held on 16th March, 2020 decided as follows:

1. Ghanaian students are permitted either to stay on campus or go home by 20th March, 2020. However, students who choose to go home shall not be allowed to return to residence on campus until the University officially re-opens.
2. All international students are encouraged to stay on campus.
3. In order to facilitate your studies during this period, all Lecturers have been directed to give students their lecture notes and power-point slides.
4. All students are strongly encouraged to read their lecture notes and do their own studies during the closure period.
5. Students are strongly discouraged from embarking on international travels.
6. All planned University's activities including the planned Matriculation and statutory meetings are suspended.
7. Students are encouraged to keep good hygiene practices and follow the "Corona Virus, No-Panic Helpguide" issued by the World Health Organization (WHO) and other actors already sent to you on the SRC Whats-app platform.

Students will be updated on any review of the situation.
